Team GYM Trampette

Acrobatic power and performance!

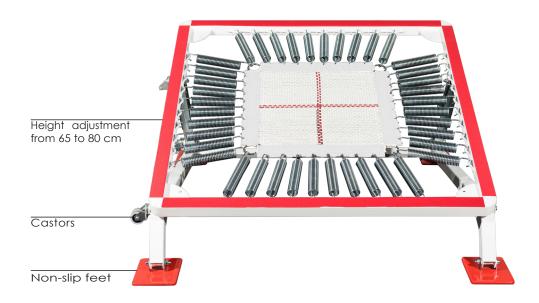

Team Gym practice requires rigorous work and a significant preparation time with adapted equipment.

To ensure that gymnasts can practice in good conditions, GYMNOVA extends its Team Gym range by developing a specific trampoline for practicing this gymnastics discipline.

Designed for learning and practicing jumping exercises, these trampolines give gymnasts a major power boost while still enabling them to work safely on their exercises.

It is easy to transport thanks to its integrated castors and is height adjustable from 65 to 80 cm in increments of 5 cm in accordance with UEG requirements.
